CHAIN & CONES

Cones are 890mm high and can be linked with chain and are easily stacked when not in use. Select from our stock range or use our detachable sign range (see diagram below right). **Sold individually.** Also available cone accessories (see below). Our Lock in frames come in Yellow and for some extra weight use our Weight Ring. Lock in Frame decals can be attached to one or both sides for added impact in 200x200 adh vinyl.
