## DIRECTORY BOARDS

Directory boards are ideal for directing visitors to the right location. Custom made to suit most businesses and suitable for indoors or outdoors. Directory Board face panels are made from Aluminium and can have slides (for ease of replacement). Panels can be engraved or have custom vinyl text. For that 3 dimensional look, we can supply a digital print, cut acrylic lettering or use a textured mounted back plate for that special effect. Directory Boards are available as Wall Panels, Ceiling Suspended or as self standing.

## DOOR SIGNS & DESK SIGNS

Door and Desk top signs are made from extruded aluminium. Door sign extrusion is available only in 40mm high x 300mm long. Desk top signs are only available in 38mm. All signs come finished in a satin natural anodised silver. Give your office the professional look with these modern slim line signs. We can engrave or use custom vinyl text on these signs. Slides are available to notify Room Status.

Stock Range - All Black/Silver in vinyl text

## FRONT ENGRAVED SIGNS (White symbol on Blue Background)

Front Engraved signs are the perfect solution for long term durability in harsh environments and give your facility that professional corporate look. Can be use for exterior or interior. Engraved signs are available in other colours upon request at custom pricing. All signs are 150x150mm

## REVERSED ENGRAVED SIGNS (Black Symbol on Silver Background)

Reverse Engraved signs are the perfect solution for environments that need special hygiene and health regulations. As the image is engraved from the back, signs can be wiped clean and not damage the image. Can be used for exterior or interior. Engraved signs are available in other colours upon request at custom pricing.

## ENGRAVED CUSTOM SIGNS

Engraved signs are the perfect solution for long term durability in harsh environments and give your facility that professional corporate look. Perfect for detailed signage including Architectural, Switch Boards, Control Panels, Commemorative Plaques, Machinery Instructions, Manufacturing Name Tags, Identification, Maintenance Details and so on..... Engraved signs are available in various sizes and colours. Phone our sales staff to discuss your requirements.
