TAPES DUCT

Silver PVC tape is smooth and pliable with excellent moulding properties. Used in the plumbing industries to join heavy gauge polyethylene sheets and form permanent seals on air conditioning ducts. Economical enough to use temporarily for general purpose bundling and fixing around sites.

Duct tape is lead free.

48mm x 30mtr rolls
Code: TD1

In most States Workcover Authorities require separation of pedestrian and vehicle traffic. Laying down Aisle Marking Tape to indicate pedestrian exclusion zones for forklift operating areas and forklift exclusion zones for pedestrians is one way to achieve this. It is a part of an Employers legal duty of care to protect employees, visitors and contractors.

All colours available in 50mm & 75mm x 33mtrs.

Surface preparation for these tapes perform best when applied to smooth, dry surfaces.
